Plan and Problem Solve

Educate and Advocate

Work with Families Near and Far

### Care Plan Coordination:

Home Care Service      Housing Options

Communication      Entitlements

Medical Management      Social Activities

Family Meetings      24/7 Support

*“(Care Provider) was outstanding and extremely helpful in navigating the last few hours of my mother’s life. She came into a difficult, very emotional situation and handled herself with quiet reserve and dignity. Her caregiving was a god-send.”*

*- Daughter, Placerville*

## Care Managed Home Care

All home care is supervised by Aging Life Care™ Managers who, along with the client and family, determine the client’s needs.

This can include tasks such as:

- Meal Planning and Preparation
- Grocery Shopping and Errands
- Laundry and Changing Bed Linens
- Personal Care, Bathing, and Ambulation
- Light Housework
- Safety and Supervision
- Socialization and Transportation
- Caregiver Respite
- End of Life Care

*“Elder Options has made a huge difference in my client’s care and quality of life, extending her life by years.”*

*- Primary Care Physician*

## Elder Options’ Home Care Providers

*Elder Options employs the very best compassionate care providers.*

### Our Employees:

- Undergo rigorous screening including a comprehensive background investigation
- Are insured and bonded
- Have current CPR certification
- Receive regular training on client related concerns
- Are carefully matched to the needs and expectations of client/family
- Have a high level of commitment with low turnover
- Work under the direct supervision of an Aging Life Care™ Manager

*“I do this work because I can’t imagine doing anything else. Spending my days helping others is extremely satisfying.”*

*- E.O. Care Provider*
