Re: Emergency Preparedness & Code Red – I M P O R T A N T

With the increased threat of fire or other emergencies, Elder Options is contacting each of you to tell you about **CodeRED**— an emergency notification service that allows emergency officials to notify residents and businesses by telephone, cell phone, text message, email and social media regarding time-sensitive general and emergency notifications. *(Only authorized officials such as EDSO or other law enforcement agencies have access to the **CodeRED** system.)* [www.ready.edso.org](http://www.ready.edso.org).

***THIS NOTIFICATION CAN SAVE YOUR LIFE IN CASE OF FIRE. EITHER GO ON THE EDSO WEBSITE TO SIGN UP OR IF YOU HAVE PREFER, WE CAN GET YOU SIGNED UP.***

*(You only need to register ONCE so if you registered during last year's Fire Season, you are set.)*

*Yes, please add our emergency information below to the CodeRED system through EDSO. This nationwide emergency response system is FREE. If there is a fire or other emergency near your home, you will receive an automated response about evacuating your home or other critical information.*

If yes, please complete: Name: \_\_\_\_\_, Physical Address: \_\_\_\_\_

Telephone # (list all): \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_.

How do you want to be notified: circle all that apply – phone call    text msg.    e mail    social media.

There is no obligation for this benefit or this service. However, in discussing this with the EDSO, Office of Emergency Services, they strongly recommend all residents register ASAP. Your name, address & telephone numbers will not be shared outside of the CodeRed system.

If you have questions, please give us a call (530)626-6939, (916)391-8083 or (530)541-1812. RETURN this to complete the process. E mail to: [info@elderoptionsca.com](mailto:info@elderoptionsca.com), fax 530/626-5105, mail: P.O. Box 2113, Placerville, CA. 95667 or bring in (82 Main St., Placerville). Thank you.
